# Double A Ranch Field Trip Registration Form

## **Description of Field Trip to Double A Ranch:**

Children come out to Double A Ranch and see how a working Paint Horse ranch and horse boarding facility are ran. They will learn the safety and procedures involved in the everyday ranch life. They will learn how we properly feed horses, care for horses, and clean up after horses. They will see how we properly maintain our facility to keep it as sanitary and safe as possible for the horses. The children will be given a demonstration on how we properly groom a horse and will get to participate in the grooming process. They will get to see several different horse breeds and will learn about the colors of the horses. They will also learn the differences between the our different paint patterns: Overo, Tobiano, Tovero, and Solid. They will get to pet some of the horses including the weanling and yearling foals. The field trip will last anywhere from one to two hours depending on the group size.

## **Clothing Requirements:**

Please have all children wear close toed shoes. No sandals or flip flops will be allowed. Tennis shoes, t-shirts, jeans, tank tops, and shorts are acceptable attire.

## **Barn Rules and Procedures:**

There will be no horse riding during any of the field trips. Children and staff members must respect the field trip instructor and must follow all of the barn rules. Barn rules include the following:

1. No running inside the barn.
2. Do not pet any horse unless the barn manager is standing there with you and allows you to pet them.
3. Use inside voices. No screaming. This will scare the horses.
4. The group must stay together at all times and must be supervised by their group instructor.
5. Do not go in any stall for any reason unless it is allowed by the barn manager.
6. Do not pet or go near either of the two stallions.
7. Do not touch and take any equipment or items from the barn unless given to you by the barn manager.
8. Do not walk behind any horse.
9. Do not try to handle or lead any horse. The barn manager will handle all horses.
10. Do not feed any animals without the permission and assistance of the barn manager.
11. No smoking in the barn.
12. Profanity or vulgar language are not tolerated.
13. Do not hit or hurt any animal at the farm.
